CC favorite: **Crumps Landing.** 11210 West Halls River Road. Dine on outside on the water. Decent food and good service. Need reservations. 352-765-4942. https://www.facebook.com/crumpslanding

More Waterfront dining:

Marguerita Grill has been rebuilt and re-opened. Now that the bridge is opened to two way traffic it is easier to get to. Always noted for the large drink...they have large menu and have early bird specials. If the seafood selection includes trigger fish: TRY IT! I like it and I am a picky fish eater! 10200 W Halls River Rd, 352.628.1336. https://www.facebook.com/margueritagrillUSA/

Monkey Bar and Florida Cracker Kitchen at the Riverside Resort: Good place for a drink and snack or dinner. Have not been there recently. https://www.floridacrackerriversideresort.com/

The Freezer is a favorite of locals: prices are cheap--menu is limited: cole slaw, chips and salsa, hotdogs... but great peel and eat shrimp and seasonal catches: Alaskan king crab legs, blue crabs and stone crabs. Try the steak (thin) night on Wednesday. Don't dress up to dine here; this is a warehouse with a boat dock with boaters and locals coming in and out. 5590 South Boulevard, 352-628-2452. https://www.facebook.com/pages/The-Freezer/497426656936992

Seagrass Grill Waterfront Dining and Tiki Bar Nice to eat on the porch. Right on the Homosassa River. Menu has a number of items. Try the cobia fish. 10386 W Halls River Rd, (352) 503-6808. https://www.facebook.com/seagrass.waterfront/

Wallaces at the Greenhouse is one of our favorite places to eat. N Check out their menu and prices on their website. You must make a reservation because it is a cozy size restaurant. The rear view of the property is nice on an inlet water. 2420 S. Suncoast Blvd. 352-503-7276. https://wallacesgreenhouse.com

Michael Anthony's: Carry out and eat-in business. They accommodated a large group very nicely and the food is excellent. Some authentic Italian dishes and desserts.
