

Hi, my name is Troy Gronotte and I am a new Business Member of the Realtors Association of Citrus County. Please accept this email to introduce my company, Odor Medics LLC, to you and how we may be able to assist in improving your chances of selling a property. We specialize in removing unwanted odors from residential and commercial properties as well as numerous other areas. Our service uses Odor Elimination Technology with a Patented Delivery System to simply and truly clean, sanitize and deodorize the property.

Some of the odors we can remove:

- **Cigarette/Cigars**
- **Animal odors**
- **Mold/Mildew**
- **Smoke/Burnt**
- **Cooking odors**
- **Trauma/Decomposition**
- **?? you name it**

Other advantages we can eliminate:

- **Bacteria**
- **Viruses**
- **Sars/Covid**
- **Allergens**
- **Anthrax**
- **Bed Bugs**

Our process uses a vapor release system to eradicate, not mask, any unwanted odors. This process is EPA/Green Friendly and leaves behind no residue. I am also certified in Mold Assessment and Mold Remediation. In the State of Florida you are required to be certified in both if you intend to work in this field.

My wife and I live in Citrus County and we serve the surrounding areas. I am a Veteran of the United States Air Force as a Medic and have been in Facility Maintenance for over 25 years.

Please respond to this email or call me directly at 352-727-2175 if you have any questions. I provide a free consultation/inspection at your desired location.

Also I look forward to meeting you personally during any future events.

Sincerely,

**Troy Gronotte
