

Citrus County Eateries Homosassa, Florida

Waterfront dining:

Crumps Landing. Great location on water, good food, good service and live music. Children's playground, corn hole game. Make a reservation. 11210 West Halls River Road. 352-765-4942. <https://www.facebook.com/crumpslanding/>

Marguerita Grill: Always noted for the large drink...they have large menu and have early bird specials. If the seafood selection includes trigger fish: TRY IT! I like it and I am a picky fish eater! 10200 W Halls River Rd, 352.628.1336. <https://www.facebook.com/margueritagrillUSA/>

The Freezer is a favorite of locals: prices are cheap--menu is limited: cole slaw, chips and salsa, hotdogs... but great peel and eat shrimp and seasonal catches: Alaskan king crab legs, blue crabs and stone crabs. Try the steak (thin) night on Wednesday. Don't dress up to dine here; this is a warehouse with a boat dock with boaters and locals coming in and out. 5590 South Boulevard, 352-628-2452. <https://www.facebook.com/pages/The-Freezer/497426656936992>

Seagrass Grill Waterfront Dining and Tiki Bar Nice to eat on the porch. Right on the Homosassa River. Menu has a number of items. Try the cobia fish. 10386 W Halls River Rd, (352) 503-6808. <https://www.seagrassresort.com/>

Wallaces at the Greenhouse is one of our favorite places to eat. Wine is reasonable. Check out their menu and prices on their website. You must make a reservation because it is a cozy size restaurant. The rear view of the property is nice on an inlet water. 2420 S. Suncoast Blvd. 352-503-7276. <https://wallacesgreenhouse.com>

Homosassa Riverside Resort and Marina-Monkey Bar: Have not been there recently. Great setting; 5297 S Cherokee Way, 352-628-2474 www.floridacrackerriversideresort.com

Shelly's Seafood & Fish Market- really a fish market, but there is a food truck serving lunch; 5389 S Boule; <https://www.shellysseafood.com/> ; 352-503-0649.

MacRaes: (aka The Shed) A busy marina, again a nice place to be on the water...but they do serve drinks and snacks (only). Live music. 5300 S. Cherokee Way, 352-2602; <http://www.macraesofhomosassa.com/>

Florida Cracker Kitchen/ Monkey Bar. Although we did not eat, people raved about the thin crust/flatbread pizzas. The **Florida Cracker Kitchen Riverside Resort** is a separate building with a large menu. I have included menus for both places. Always nice to watch the boats go by, and we timed to see the monkeys being fed on Monkey Island. Can't believe how cleaned up the area has become, 20 years ago, it was just kind of a dumpy resort area. 352-628-2474; 5297 Cherokee Way;
