

Homeownership is the American Dream but owning a home requires a lot of regular maintenance tasks to keep the investment in good shape.

I am including a list of service companies and maintenance people who can help you, if you are not a DIY person.

Hope you find this helpful info and PLEASE let know if you have a service company and/or vendor to recommend. I have not evaluated many lawn mowing services (so many!)

### **AIR CONDITIONING SERVICES**

AIR FILTERS NEED TO BE CLEAN/REPLACED YEARLY. ALWAYS SCHEDULE SERVICE ON AIR CONDITIONERS YEARLY.

We have used **Bay Area** for years: <https://bayareacool.com/>  
888-324-4033

**Air Pros of Ocala** (352) 354-3515;BD Rec: "Installed complete new ductwork, including a new feed to a previously unfed room, 18 inches of new attic and garage insulation and a new Carrier air conditioner, a two stage ultra-violet air scrubber, new air handler, new base and new wiring in one day, very next day of call. I won't scare you with what we spent, but the house is very comfortable, the air is incredibly clean, and we've added to the value."
